SUMMARY

A passionate Full Stack Web Developer with a Bachelor of Science (B.Sc.) in Mechanical Engineering Technology and several years of industrial and teaching experience. My professional journey began in engineering, where I developed strong analytical and problem-solving skills. Today, I specialize in building modern, responsive, and scalable web applications using Laravel, PHP, JavaScript, Vue.js, Tailwind CSS, MySQL, and related technologies.

I enjoy transforming ideas into practical digital solutions and continuously learning new technologies to improve my development skills.

EDUCATION

Bangladesh

Bachelor of Science (B.Sc.) in Mechanical Engineering

EXPERIENCE

Web Developer

Present

Freelance

- Develop responsive and modern websites.
- Build full-stack web applications using Laravel.
- Design user-friendly interfaces with Tailwind CSS.
